Join us at a drop-in **Open House** to learn more about the **Elgin Trailhead/Pocket Park** and provide concept input on the first 13-mile section of the **Joseph Branch Trail**.

ALL ARE WELCOME!

The **Joseph Branch Trail Consortium** is actively planning for a non-motorized trail along the existing railroad tracks within the publicly owned Wallowa-Union Railroad Authority corridor. Starting in Elgin, OR, the trail is envisioned to traverse the Grande Ronde and Wallowa River Valleys, terminating 63 miles later in Joseph, OR. Along the way, the trail will connect the towns of Minam, Wallowa, Lostine, and Enterprise, offering residents of all ages and abilities a safe and accessible way to get outdoors, recreate, commute, and exercise away from the ever-busier roads and highways

Please join us at the Elgin Train Depot to learn more about the planning process, review the **DRAFT** concept plan for the first 13-mile trail segment, and provide valuable input. Members of the trail planning team will be in attendance to share insights, discuss plan elements, answer questions, and collect your input.
